New Golf Course Opens Outside Las Vegas

For the first time in six years, we can introduce you to a new Las Vegas area golf course. The Chase at **Coyote Springs** has the PGA of America gushing with excitement.

Coyote Springs could someday be twice the size as Summerlin is today.

The Jack Nicklaus course called the Chase is causing quiet a buzz. When the PGA's top brass show up, you know the bar has been set pretty high.

The Chase will be the cornerstone of the PGA Village, only the second world-wide.

Someday the desert oasis could be home to 160,000 homes, but for now, Coyote Springs is home to the Chase and a vision.
